

Loan Center help: Self-employed cash flow analysis

Self-employed cash flow analysis

Access MGIC's cash flow worksheets for analyzing income from self-employed borrowers and other sources.

In the Loan Center main menu, place your cursor over *Resources* and select *Self-employed cash flow analysis*.

Click the appropriate link to the worksheet you wish to open or to open the Self-Employed Borrower Manual.

Analyze self-employed borrower cash flow and other sources of income, including rental income, using our editable, auto-calculating worksheets.
