

MGIC/Link Servicing: Centralized, secure, automated support for your default servicing

Submit claim documents and requests for approval, complete monthly reporting, communicate key updates — all from one, secure location

Upload Claim Documents

- Submit documents before or *at the time of* claim filing.
- View pending claim document requests.
- Export requests to spreadsheet.
- Upload outstanding documents requested by MGIC.

Loan Modification Requests

- Request prior approval for individual or multiple loan modifications that do not meet MGIC Delegated Guidelines.
- Submit for monthly reporting individual or multiple loan modifications that meet MGIC Delegated Guidelines.
- Respond to MGIC requests for additional documentation.

HAMP Reporting

- Submit the HAMP Reporting Template to MGIC to report monthly HAMP modifications. [Details about HAMP.](#)

Short Sale Requests

- Complete the MGIC Financial Analysis Form to determine whether the short sale is eligible for MGIC's Delegated Guidelines.
- Provide additional information on short sale requests pending approval OR
- Request an extension approval.

Deed in Lieu Requests

- Submit deed in lieu approval requests that fall outside of MGIC Delegated Guidelines along with required documentation.
- Provide additional information on deed in lieu requests pending approval OR
- Request an extension approval.

Other Workout Types

- Submit approval requests and any required documentation for workouts such as forbearance, repayment plans and other workouts that don't meet MGIC Delegated Guidelines.
- Provide additional information on other workout type requests pending approval OR
- Request an extension approval.
