## Feeling a bit uncomfortable?

Perhaps it was dark while you were getting dressed, or maybe you just weren't paying attention. Either way, the business meeting feels a bit awkward this morning. But is it the mismatched socks, or the person across the table that doesn't feel quite right?

Relax. The MGIC Capital Markets team is here to find a better match. We have done the research, made the contacts and compiled the database — solely to provide intelligent recommendations for your wholesale matchmaking needs.

All you have to do is call and tell us what you're looking for.

## Looking for investors?

If you need an investor for your next product — from Fixed-Rate Mortgages to Interest-Only ARMs — MGIC will match you with investors who can help with:

- new product types
- great pricing options
- fast turnaround time

Do what you do best: originate loans. Delegate the chore of finding compatible investors to us. Call your local MGIC representative today for more information.

## Looking for brokers or correspondents?

If you're looking to expand your presence in existing markets or move into new ones, MGIC will match you with brokers or correspondents who meet your requirements regarding:

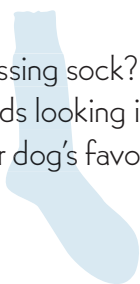

- net worth
- volume
- experience

By working with us, you'll significantly reduce the time and effort you now spend prequalifying prospective brokers or correspondents. Instead, you can spend more time concentrating on bigger and better things: increasing volume and profits.
