

**MGIC announces the availability of new tools to help you expedite your default servicing.**

## **NEW: Pending Claims' Outstanding Document Requests in MGIC/Link**

Now you can expedite your claim processing using MGIC/Link's new **Claims Doc Requests** feature:

- View all of your claims with outstanding document requests from one location.
- Download reports for your own use.
- Upload requested documents.
- Submit outstanding documents securely, quickly and easily to ensure we have the information necessary to proceed in processing your claim.

To learn more, view our brief tutorial, [Pending Claims with Outstanding Document Requests](#).

## **NEW: Training Tutorials**

Designed to support your default servicing strategies using MGIC/Link, our pre-recorded [training tutorials](#) are available to you at your convenience.

In just minutes, these brief tutorials can help you master submitting and reporting:
