This summary highlights our most common loan programs. It does not replace our Underwriting Guide, which contains definitions and full details (mgic.com/uwguide).

We do not approve loans for mortgage insurance based solely on a response obtained from Agency automated underwriting systems (Agency AUS), Fannie Mae's Desktop Underwriter® (DU®) and Freddie Mac's Loan Product Advisor®.

We allow certain efficiencies for loans that have a valid DU or Loan Product Advisor response.

MGIC Go! streamlines MI for:
- Loans with a valid DU Approve/Eligible or Loan Product Advisor Accept/Eligible response
- Loans with a valid DU Approve/Ineligible or Loan Product Advisor Accept/Ineligible response due to LTV or loan type

These loans must meet requirements stated in our Underwriting Guide (UWG), Section 1 All Loans and Section 2 MGIC Go! Loans.

Follow Findings/Feedback requirements for:
- Documentation
- Tradelines, credit history
- Borrower contribution, including gift funds
- Reserves
- Other criteria

Apply applicable MGIC Go! overlays (pages 2 and 3 in this document); otherwise, refer to the respective Agency selling guide for requirements not provided in the Findings/Feedback.

Requirements for Standard Loans apply to:
- All other loans with a valid DU Approve/Ineligible or Loan Product Advisor Accept/Ineligible response
- Loans not processed through an Agency AUS

These loans must meet requirements stated in All Loans (UWG Section 1) and Standard Loans (UWG Section 3).

For Standard Loans with a valid DU Approve or Loan Product Advisor Accept response, follow the respective Agency AUS documentation requirements for employment, income and assets.

REFERENCES
Throughout this summary, we will refer you to supporting information in our Underwriting Guide. For example, (UWG 2.06) means you will find related information in Section 2, subsection 6 of the Guide.
