Lender-paid single premiums

Lender-Paid Single Premiums provide coverage for the life of the loan. The premium must be paid at closing by the lender or a person other than the borrower and must not be charged separately to the borrower.

Refunds: Lender-Paid Single Premiums are non-refundable.

Loan program categories

Fixed applies to loans with level or declining payments for the first 5 years and no potential for negative amortization. For loans with a temporary buydown, use fixed premiums if the permanent payment terms of the mortgage note meet our fixed criteria.

Nonfixed applies to loans with actual or potential payment changes during the first 5 years.

Rate selection

30-year rates apply to loans with an amortization period greater than 25 years.

≤ 25-year rates apply to loans with an amortization period of 25 or fewer years.

Select LTV category based on first lien only.

Lowest credit score tier pricing applies when no borrower has a valid credit score, including borrowers with no credit score.
