1 MORTGAGE INSURANCE PREMIUM

- 1.01 Premium Plans
- 1.02 Premium Due to Activate Coverage
- 1.03 Renewal Premium Billing
- 1.04 Billing Cycles
- 1.05 Billing Options
- 1.06 Premium Payment Options
- 1.07 Premium Guidelines for Loans in Default

Premium billing is based on the premium plan and renewal option that the lender selected at the time of origination, as referenced on your mortgage insurance Commitment/Certificate.

1.01 Premium Plans

Monthly Premium

Our monthly premium plan provides a month-to-month coverage term. No premium is due at closing. Billing begins the first month after closing and payment is due the following month. The billing process continues until the insurance is cancelled.

Choice Monthly and Split Premium

Our Choice Monthly and split premium plans provide a month-to-month coverage term. Part of the premium is paid up front in order to reduce the monthly premium. The upfront premium can be financed into the loan amount or paid at closing. We bill for the monthly portion of the premium beginning the first full month after closing and continue until the insurance is cancelled.

Single Premium

Our single premium plan provides coverage with a one-time premium payment. The premium is paid at closing.

 *Our borrower-paid single premium plans provide coverage for a limited time based on the loan's scheduled amortization. Coverage expires automatically when the unpaid principal balance of the loan, based on the original amortization schedule, reaches 78% of the Original Value, regardless of actual payments.*

Annual Premium

Our annual premium plan provides coverage for a term of one year. The first-year premium is paid at closing. The renewal premium is due on the Certificate anniversary date. The billing process continues annually until the insurance is cancelled.

1.02 Premium Due to Activate Coverage

Premium due to activate coverage is listed on the Commitment/Certificate. For information on initial premium payment requirements, refer to our [Underwriting Guide](#).

1.03 Renewal Premium Billing

We provide monthly, Choice Monthly, split and annual premium plan renewal bills.

Premium billing includes:

- Insurance premiums for current and unpaid coverage periods
- Applicable premium taxes or assessments required by any state or local jurisdiction
 - See [Taxes and assessments](#)

The entire renewal premium is due on the premium due date specified on the bill. Do not alter our calculated premiums, and pay them as indicated on the bill. We will cancel coverage on a Certificate if we do not receive premium within the 60-day grace period, effective the last day of the renewal term for which premium was paid.

For monthly, Choice Monthly, split, and annual premium plans, the premium amount due is based on one of the following renewal options:

Declining Renewal

Declining renewal premiums are adjusted annually based on the current mortgage balance. Each year on the Certificate anniversary month, we will send you a bill that requires you to report the current mortgage balance and calculate the current premium due as follows:

- Multiply the mortgage balance by the premium rate (for monthly premiums, divide the results by 12)
- If applicable, multiply the newly calculated premium by the tax/assessment rate

Constant Renewal

Constant renewal premiums are based on the original amount Insured and remain the same for the first 10 years. After 10 years, the premium due may decrease to a lower renewal rate for the remaining life of the insurance.

1.04 Billing Cycles

We issue renewal bills based on a billing cycle of your choice:

Cycles 1-4

- We issue bills the first, second, third and fourth full weekends of the month, respectively
- Bills include coverage dates for the current month's monthly premiums due (and any unpaid coverage periods) and next month's annual premiums due

For example, if the current month is January, the bill is for January monthly premiums due and February annual premiums due.

Cycle 5

- We issue bills the first full weekend of the month
- Bills include billing for the previous month's monthly premiums due (and any unpaid coverage periods) and the current month's annual premiums due

For example, if the current month is January, the bill is for December monthly premiums due and January annual premiums due.

See our [Billing cycles calendar](#) for specific due dates.

Email billing_inquiry@mgic.com to request the billing cycle that best meets your needs.

1.07 Premium Guidelines for Loans in Default

If a loan Defaults, coverage remains in force and we continue to bill renewal premiums.

If you continue to pay premiums due, any premium paid for the period following the Default will be refunded at the time of the Insurance Benefit payment.

If you do not continue to pay renewal premiums, and you report the Default to us as cured, we will provide a special bill indicating all unpaid premium due. If we do not receive all unpaid premium by the premium due date indicated on the special bill, we will cancel coverage on the Certificate, effective the last day of the renewal term for which premium was paid.

CANCELLATIONS

- 2.01 Cancelling Mortgage Insurance Coverage
- 2.02 Cancellation Covered Under the Homeowners Protection Act (HPA)
- 2.03 Cancellation Not Covered Under the Homeowners Protection Act (HPA)
- 2.04 Premium Refund Guidelines for Cancellations

2.01 Cancelling Mortgage Insurance Coverage

- Submit [Request for Cancellation of Insurance](#) form or required information (see below) via:
 - Secure File Transfer (SFT) — Select Cancellations
 - Secure email to cancel_requests@mgic.com
 - Fax to 1-888-818-0241

For multiple cancellations, Electronic Data Interface (EDI) format is also available. Contact integration_services@mgic.com for more information on EDI technology.

- Servicer's loan number
- Borrower's name
- Subject Property address
- Reason for cancellation
- Cancellation effective date
- Payee's name and address if a refund is due

Premiums Due After Cancellation

Since monthly premiums are generally paid in arrears (unlike annual or single premiums, which are paid in advance), it is possible that premium will be due at the time of cancellation. If so, we will send you a bill indicating the amount due.

Noncancellable Coverage

Insurance under certain Master Policies may not be cancelled unless the loan is paid in full, or has amortized or been paid down to a specified loan-to-value ratio. Email cancel_requests@mgic.com with questions regarding cancellation on a loan with noncancellable coverage.

2.02 Cancellation Covered Under the Homeowners Protection Act (HPA)

The [Homeowners Protection Act of 1998 \(HPA\)](#) covers single-family primary residence loans that closed on or after July 29, 1999. HPA provides for Borrower-requested cancellation and automatic termination. It is your responsibility to notify us when coverage terminates under HPA automatically or due to a Borrower-requested cancellation.

2.03 Cancellation Not Covered Under the Homeowners Protection Act (HPA)

Investors establish the criteria for cancelling mortgage insurance for loans not covered by HPA. This includes second homes, investment properties and where the Property's current value is used.

Fannie Mae and Freddie Mac requirements are provided in their guides and are subject to change. Refer to the agencies' guides for the most current mortgage insurance cancellation information. Check other investors' mortgage insurance cancellation requirements.

2.04 Premium Refund Guidelines for Cancellations

We offer refundable and nonrefundable premium plans (1.01). Premium refundability is specified on the loan's insurance Commitment/Certificate.

Refundable Premium Plans

Premium Plan	Initial Insurance Effective Date	Refund Calculation
Annual Premiums	Prior to 7/29/1999	See Annual Premium Refund Schedule
	On or after 7/29/1999	Prorated refund Calculated based on the number of days of coverage in force divided by 365 days
Monthly Premiums	N/A	Prorated refund Calculated based on the number of days of coverage in force divided by 30 days
Single Premiums – Borrower-Paid	N/A	See Single Premium Refund Schedule

We will not provide a refund for any period more than 45 days prior to our receipt of the required mortgage insurance cancellation notice.

We will only refund annual and single premiums of less than \$5 upon request.

2.04 Premium Refund Guidelines for Cancellations

- For more information, contact suspense_premium_inquiry@mgic.com

ASSUMPTIONS

6.01 Assumptions With Release of Liability

6.02 Assumptions Without Release of Liability

An assumption is a change in ownership of the Property whereby the new owner agrees to assume primary liability for payment of the existing mortgage. You are responsible for executing applicable legal documents for the assumption.

We recognize two types of assumptions; both require prior approval:

- Assumption with release of liability, where the original Borrower is released from liability
- Assumption without release of liability, where the original Borrower remains liable for repayment of the loan

We will review and respond to all assumption requests within 10 business days with either an approval or denial. If we require additional documentation to evaluate the request, we will deny the request and indicate the information we still need. Submit a new request with the required documentation.

6.01 Assumptions With Release of Liability

We will underwrite the assuming Borrower based on the Underwriting Guidelines in effect at the time the assumption is submitted to us.

Documentation Requirements

Submit the [Notice of Assumption](#) form and include the following for the assuming Borrower(s):

- Loan application (Fannie Mae form 1003 or equivalent)
- Income and employment documentation
- Asset documentation
- Credit documentation
- Sales contract/reason for assumption

Submission Options

- Secure email to assumptions@mgic.com with the subject line "Assumption request"
- Fax to 1-800-345-3291

6.02 Assumptions Without Release of Liability

Documentation Requirements

- Fax to 1-800-345-3291

7 PARTIAL RELEASES

A partial release is the release of a portion of the collateral securing the loan. Our prior approval is required for both a voluntary partial release and an involuntary partial release.

We will review and respond to all partial release requests within 10 business days with either an approval or denial.

If we require additional documentation to evaluate the request, we will deny the request and indicate the information we still need. Submit a new request with the requested documentation.

Documentation Requirements

Submit the [Partial Release Request Form](#) and include the following:

- Explanation of why the release is being requested
- The amount of the compensation being paid in exchange for the release, if applicable

 - Value of the Property AFTER release
 - Statement from appraiser addressing the impact of the partial release on Property marketability after the release
 - All addendums, attachments and photographs

Approval Requirements

Our approval is required in all cases and may be conditioned with a reduction of insurance coverage and/or application of compensation to the principal balance proportionate with any reduction in the Property value.

- Generally, we require the Borrower to apply any funds received to reduce the outstanding principal balance of the loan
- If repairs are required to maintain the Property, we will require an escrow for completion of repairs

8.01 Servicing Report

The monthly servicing report provides the status of all loans (both current and delinquent loans). If requested, submit the report on or before the 25th day of each month for the prior month's activity. For more information, see [Servicing Report](#).

8.02 Default Reporting

8.02.02 Reporting Options

Automated Default Reporting (ADR)

Report delinquent loan information via an automated data file in an industry-recognized format. ADR is supported by most service bureaus and is the preferred reporting method of Servicers. If you report via ADR, do not submit a notice of default or Monthly Delinquency Loan Status Report.

If a loan previously reported delinquent is not on the current month's ADR file, we will send you a Monthly Exception Audit (MEA) report. Review the MEA and provide loan updates as applicable.

For more information about ADR, see [\(17.03\)](#) or contact integration_services@mgic.com.

MGIC/Link Servicing

File a Notice of Default and provide monthly updates on delinquent loans using our online tool:

- Log in to MGIC/Link Servicing from mgic.com
- Select *File/Update a Default* in the main menu
- Enter the requested information

Manual Reporting Options

Submit [notice of default \(NOD\)](#) forms and Monthly Delinquency Loan Status Reports that we provide for you to update via:

- Secure File Transfer (SFT) — Select Claims Query
- Secure email to claimsquery@mgic.com
- Fax to 1-800-353-8781

Submission

Submit required documentation via secure email to lenderqcdefect@mgic.com

8.04 Mortgage Payment Record Retention

We require you to maintain the mortgage payment record, including payment history, in a legible and retrievable format. You must employ industry-standard controls that document the maintenance and quality of the mortgage payment record. You must also provide documentation upon request.

8.05 Address Confidentiality Program Reporting (Safe at Home Laws)

For a loan in which a borrower is enrolled in a state Address Confidentiality Program, the servicer must contact MGIC Customer Service, 1-800-424-6442 or customer_service@mgic.com, to provide a legal substitute address.

You have delegated authority to implement the terms of GSE-sponsored Loan Modification programs. Follow the options and requirements of the GSE when implementing these delegated programs.

For non-GSE loans, refer to the Loan capitalization limits based on Policy Type.

Loan Capitalization Limitation Guidelines by Policy Type

Policy Type	Loan Capitalization Limitation*
Primary	110% of original UPB
Pool or Primary with Pool	105% of original UPB

**The loan capitalization limitation includes the modified amortized principal, plus forgiveness or forbearance amounts*

If we do not offer delegated authority for a particular modification program, we will approve your delinquent loan modification request either as submitted or with an approval condition, provided we receive all required information at the time you report the modification. Modified loans with capitalization may include an approval condition limiting the amount of the capitalized unpaid principal balance (UPB) that we would allow on a future Claim if the Borrower Defaults on the loan again.

- The forbearance term does not exceed 6 months from the loan due date
- The Borrower is unable to make full monthly payments
- The forbearance plan is part of a broader Workout strategy for home retention or sale
- At the conclusion of the forbearance agreement, one of the following actions occurs:

10.05 Short Sale and Deed in Lieu of Foreclosure

Short sales or deeds in lieu may be appropriate when all home retention options have been exhausted, and the Borrowers are unable or unwilling to continue making their full mortgage payments. We prefer a short sale under these circumstances, but recognize that there are situations in which a deed in lieu of foreclosure may be an appropriate Workout option.

 *On Fannie Mae or Freddie Mac loans, follow investor guidelines. We have delegated approval authority to Fannie Mae and Freddie Mac for short sale and deed in lieu Workouts.*

10.05.01 Delegated Authority

You have delegated authority to complete a Borrower-titled short sale or deed in lieu on all non-GSE loans regardless of occupancy type where the Borrowers do not qualify for a loan modification, and do not have the long-term financial ability to continue paying their full mortgage payment, subject to compliance with all of the following guidelines:

Short Sale

- Variance between the "as-is" and "repaired" values is $\leq 15\%$
- Net Proceeds must be equal to, or greater than, 82% of the as-is value

10.05 Short Sale and Deed in Lieu of Foreclosure

- Borrowers must not receive any funds from the sale of the Property, including relocation assistance or any other incentives
- Borrowers must not retain or regain ownership of the Property
- Second mortgage payoff not to exceed the lesser of \$6,000 or 50% of the current outstanding second lien amount

Deed in Lieu

- Unless foreclosure has been initiated, the Borrowers must meet one of the Allowable Hardship Scenarios (see next table) OR have filed for bankruptcy
- The scheduled foreclosure sale date must be more than 60 days from the date of approval of the deed in lieu and may not be postponed to allow for deed in lieu consideration
- Title to the Property must be free and clear of all subordinate liens or encumbrances

Allowable Hardship Scenarios

Delinquency	Stated Hardship Reason	Credit Score
Current or ≤ 60 Days	<ul style="list-style-type: none"> • Death • Long-term/permanent disability • Distant employment transfer, including Permanent Change of Station (PCS) orders, greater than 50 miles 	Not Applicable

> 120 Days	Any hardship reason	< 620

Borrower Contribution Requirements – Cash Contributions

MGIC delegated (Non-GSE):

- It is your responsibility to determine whether a Borrower contribution is permissible under applicable law
- We do not require you to obtain a contribution from the Borrower; doing so is at your discretion
- If you do obtain a cash contribution, it must be paid to you at closing or upon execution of the deed in lieu. We will reduce the Insurance Benefit by the cash contribution amount

Second Lien Payoff Provisions (Short Sales Only)

Second lien payoff provisions apply to second mortgages owned by a third party (a legal entity unaffiliated with the Servicer).

If we elect the Third-Party Sale Option (12.06) in settlement of the Claim, we will reduce the Claim Amount by the lesser of \$6,000 or 50% of the current outstanding second lien payoff amount.

10.05.02 Non-Delegated Requirements

Short sales and deeds in lieu that do not meet the delegated authority guidelines require our prior approval before the sale or deed in lieu is completed.

Documentation Requirements

- Borrowers' financial analysis
- Documentation for all Borrowers' sources of income from the last 2 months, including but not limited to, pay stubs and any asset accounts that provide 1099 income from interest or dividends (such as checking, savings and investment accounts; money markets; CDs; stocks; bonds; trusts; and annuities)

10.06 Disaster Relief Guide

Foreclosure Postponement

When a natural disaster is the reason underlying a Default or is preventing a Borrower from curing an existing Default, Servicers may postpone foreclosure proceedings up to 90 days.

Forbearance

Servicers are authorized to offer impacted Borrowers a forbearance plan term of up to 12 months without MGIC's approval. After a forbearance plan is granted, the servicer must continue to work with the Borrower and evaluate other potential home retention and Workout options.

Reporting Defaults During a Forbearance Period

Continue to report loans in Default during a forbearance period. Refer to Section [8.02 Default Reporting](#).

10.07 Payment Deferral Plans

Through the default workout process, Servicers may work with Borrowers to implement a payment deferral plan. In a payment deferral plan, the loan is brought current and the sum of the past due amounts (including principal, interest, escrow advances and fees) becomes a separate, non-interest-bearing balance that is due and payable in its entirety at loan maturity or payoff, whichever occurs first. All other terms of the loan remain unchanged, and the Borrower resumes their regular payment.

10.07.01 Delegated Authority

You have delegated authority to complete payment deferral plans that follow GSE Payment Deferral Guidelines, for both GSE and non-GSE loans. Refer to the Fannie Mae or Freddie Mac Servicing Guides for requirements.

All payment deferral plans should be reported to MGIC within 30 days after implementation. See 10.07.03 for reporting requirements and submission options.

10.07.02 Non-Delegated Requirements

Payment deferral plans that do not meet the delegated authority guidelines described above require our approval prior to implementation.

Information Required

- Terms of the payment deferral plan
- A complete financial package disclosing all income, assets and expenses from the last 2 months
- Letter of hardship written by the Borrowers or a personal representative
- Proof of the Borrowers' ability to resolve the delinquency

- 11.02 Bankruptcy
- 11.03 Preserving our Deficiency Rights
- 11.04 Foreclosure Bidding
- 11.05 Foreclosure Completion

11.01 Foreclosure Commencement

If you cannot resolve a Default through a Workout, initiate foreclosure by filing a complaint in the appropriate court or publishing a notice of sale, or by such process as required by applicable law, by the later of:

- 30 days after the date that the loan remains in Default for 6 consecutive months, or
- 60 days after the earliest date after such six-month period that Appropriate Proceedings may be commenced under applicable law

11.02 Bankruptcy

In the event of Chapter 7 or Chapter 13 bankruptcies, initiate foreclosure within 60 days after the first of the following occurs:

- The automatic stay is lifted
- The bankruptcy case is dismissed
- The Borrowers are discharged

For a Chapter 13 bankruptcy, file a petition for relief from the bankruptcy stay within 60 days after the Borrower has missed 2 consecutive payments under the bankruptcy plan.

Report a Bankruptcy

If a bankruptcy is filed on a delinquent loan, report the bankruptcy to us through the monthly Default reporting process. For reporting options, see (8.02).

11.03 Preserving our Deficiency Rights

File the appropriate action(s) preserving our right to pursue a deficiency in conformity with state foreclosure statutes. We may pursue deficiency judgment in the following states:

AR, CO, CT¹, DC, DE, FL, HI, ID, IL, IN, KY, LA, MA, MD, ME, MI, MO, MS, NC, NH, NM, NV, OH, OK, RI, SC², TN, TX, UT, VA, WV

If we intend to pursue a deficiency judgment, we may request additional documentation upon Claim submission.

- Borrower's name
- Property address
- Total debt
- Value (BPO or appraisal) no more than 120 days from approval

¹In a strict foreclosure action, we require you to file a motion for deficiency within 30 days of title vesting.

²The deficiency should be demanded in the initial pleadings.

11.04 Foreclosure Bidding

- For GSE loans, bidding is delegated to them. Refer to their respective guides
- For all non-GSE loans, follow bidding instructions in 11.04.01 and 11.04.02

11.04.01 Non-GSE Bid Instructions

 *You will need to know the fair market value of the Property and the total debt amount to determine your bid.*

Fair Market Value (FMV)

Use one of the following documents to determine the appropriate FMV:

- A BPO less than 120 days old as of the foreclosure sale date
- An appraisal less than 120 days old as of the foreclosure sale date
 - You must use an appraisal where required by state statute

For variances between “as is” and “repaired” values:

- If variance is 10% or less, use the “as is” value for FMV
- If variance is greater than 10%, use the “repaired” value for FMV

Total Debt or Total Mortgage Indebtedness

The total amount of debt associated with the mortgage includes principal, interest and any additional costs incurred (such as attorney fees and Property preservation costs).

11.04.02 State Reference Table

Property State	Bidding Instructions
KS, SD	<ul style="list-style-type: none"> • Bid 100% of the total debt to avoid any post-foreclosure-sale statutory redemption period
All Other States	<ul style="list-style-type: none"> • Your initial bid should comply with applicable state law and your own internal guidelines • If the bid exceeds the total mortgage Indebtedness, bid the total debt amount • In the event of competitive bidding, continue bidding up to total debt or 85% FMV, whichever is less

11.05 Foreclosure Completion

Diligently pursue completion of foreclosure in compliance with the state time frames described in [Fannie Mae's exhibit](#) on their website or as we direct. (Page 2 of the exhibit does not apply to our process for evaluating allowable days on a Claim. See below for a description of our process.)

These foreclosure state time frames specify the number of days we generally cover between the due date of the last paid installment (LPI) and foreclosure sale date. These state time frames are based on the preferred method of foreclosure and apply to Claims on loans where a foreclosure sale has been completed. For loans approved by a GSE for an alternate foreclosure method, include a copy of the GSE approval with your Claim.

If the number of days claimed exceeds the foreclosure state time frame, additional time may be covered if you can demonstrate that the delay occurred despite diligent servicing and loss mitigation activities or is attributable to events outside of your control. Please include with your Claim a chronology of events demonstrating efforts pertaining to collection, foreclosure, loss mitigation, bankruptcy, loan repurchase or indemnification demands and other legal activities, as applicable (12.03). We will review the information to determine if additional days claimed will be covered. For loans insured under [Master Policy 71-43342 \(10/14\)](#) and [Master Policy 71-70384 \(03/20\)](#), we will not cover more than 36 months of unpaid accumulated interest and Advances.

12.04 Claim Perfection

Claim perfection occurs when we have received all required information and documentation and gained Property access if requested. Claim perfection time line requirements depend on the applicable Master Policy.

We generally provide notifications as follows:

- Within 20 days of filing your Claim, we will notify you of additional Claim requirements including any documentation we have not received
- If after 30 days from our initial notification we do not receive the required documentation or the documentation is insufficient, we will provide a follow-up notification listing any outstanding items
- If after 30 days from our second notification we do not receive the required documentation or the documentation is insufficient, we will provide a final notification
- If the required documentation is not provided by the time frame indicated in the applicable Master Policy, we may deny the Claim

Property Access

We will notify you if we require Property access. If we have not obtained access by the time of Claim settlement, the Insurance Benefit may be reduced.

12.05 Claim Calculation and Curtailment Methodology

The Insurance Benefit is based on the Claim Amount. This section includes a list of the types of items that may be covered on a Claim, as well as types of items that will not be covered. The items that can be included on a Claim include the unpaid principal balance, accrued and unpaid interest at the applicable note rate and Advances associated with servicing the loan after the Default resulting in the Claim. Generally, interest and

12.05 Claim Calculation and Curtailment Methodology

Advances are includable in the Claim Amount for the period of time from the date of Default through the date that the Claim is filed.

There are three types of alterations to a Claim that could result in a revised Insurance Benefit:

- **Adjustment** of amounts claimed for expenses not covered under the Master Policy (see [12.05.03 Advances and Expenses](#))
- **Correction** of an amount claimed (either an addition or reduction)
- **Curtailment** of interest and related Advances (see [12.05.01 Curtailment of Interest and Related Advances](#))

12.05.01 Curtailment of Interest and Related Advances

On every Claim where the number of days claimed exceeds the foreclosure state time frame ([11.05](#)), we perform an assessment of the Servicer's compliance with the terms of the Master Policy when determining the period of time for which interest and Advances will be covered on a Claim. Noncompliance with provisions of the Master Policy, including post-origination obligations, may result in a reduction of the Claim Amount or Insurance Benefit. Such a reduction is referred to as a curtailment.

Calculation of Curtailment Periods

The curtailment period either begins on the date that we determine a post-origination obligation should have commenced and ends on the date the post-origination obligation was actually commenced, or begins on the date that a post-origination obligation should have been completed and ends on the date the post-origination obligation was actually completed. Additional time may be curtailed due to periods of inactivity with no explanation.

Application of Curtailment Periods and Revised Claim Date

The total number of days for the curtailment period(s) is deducted from the actual Claim filing date, resulting in what we refer to on the explanation of benefits (EOB) as the "Revised Claim Date" (RCD). Generally, the curtailment amount will be the sum of (1) any Advances incurred after the RCD, and (2) unpaid interest accrued after the RCD.

For loans insured under [Master Policy 71-43342 \(10/14\)](#) and [Master Policy 71-70384 \(03/20\)](#), we will not cover more than 36 months of unpaid accumulated interest and Advances.

12.05.02 Post-Origination Obligations/Covered and Non-Covered Events

The following are examples of some of the most common post-origination obligations and events generally covered and not covered on a Claim.

Post-Origination Obligations

- Timely commencement and completion of Appropriate Proceedings ([11.01](#), [11.05](#))
- Diligent pursuit of a Borrower Workout
- Diligent pursuit of relief of stay or dismissal from a Borrower bankruptcy ([11.02](#))
- Preservation of our Deficiency Rights ([11.03](#))
- Compliant Foreclosure Bidding ([11.04](#))

12.05 Claim Calculation and Curtailment Methodology

Covered Events

The following are some examples of events that, if diligently pursued, are generally covered on a Claim to the extent they are outside of the Servicer's control.

- Bankruptcy
- Government, GSE or judicially imposed suspensions that are not the result of servicing practices
- State-imposed mediation
- Contested or litigated foreclosure where the Servicer prevails
- Probate
- Military indulgence

Non-Covered Events

The following are some examples of events and servicing delays that are generally not covered on a Claim.

- Government, GSE or judicially imposed suspensions (e.g., AG and DOJ actions) that are the result of servicing practices
- Attorney substitutions (including when directed by the GSE)
- Lost or missing documents or document corrections
- Title defects causing delays
- Servicing transfers that cause delays in fulfillment of servicing obligations
- Delays within the control of the Servicer in starting, resuming or pursuing foreclosure obligations (11.01, 11.02, 11.05)
- Noncompliant foreclosure bidding or preserving deficiency (11.04, 11.03)
- Physical Damage to the Property causing delays

We will assess the Servicer's diligence during such events when determining the number of days for which interest and Advances may be covered or curtailed on a Claim. Note: Submit a chronology of events from the date of Default through the Claim filing date demonstrating efforts pertaining to collection, foreclosure, loss mitigation, bankruptcy, loan repurchase or indemnification demands and other legal activities, as applicable. (12.03)

12.05.03 Advances and Expenses

Covered Advances

The following are examples of Advances generally covered on a Claim, provided the Advances are incurred prior to the revised claim date.

- Reasonable and customary property insurance premiums
- Taxes, assessments and other public charges imposed upon the Property
- Condominium fees and homeowner association dues to the extent necessary to preserve the lien priority of the mortgage
- Customary court costs and expenses associated with Appropriate Proceedings
- Reasonable attorney fees:
 - Not in excess of 3% of the unpaid principal and interest due on the loan when the Claim is submitted for a loan with an unpaid principal balance (UPB) plus interest that is \$200,000 or greater, or
 - The lesser of \$6,000 and 5% of the UPB and interest due on the loan when the Claim is submitted for a loan with a UPB plus interest that is less than \$200,000

Non-Covered Expenses

Certain expenses should not be included on a Claim because they are not covered Advances under the Master Policy. The following are examples of some of the most common expenses not covered by the Master Policy.

- Attorney fees incurred for work outside of the standard foreclosure proceedings such as attorney transfers, “robo-signing” issues and title issues and defects
- Expenses for assignment of mortgage
- Expenses associated with Physical Damage to the Property
- Homeowner Association assessments that are extinguished by the foreclosure
- Incentive fees
- Mortgage insurance premiums

12.05 Claim Calculation and Curtailment Methodology

- Tax penalties and interest
- Unpaid servicing fees, such as late charges, NSF fees, and payoff fees

12.05.04 Claim Reduction for Property Condition

In establishing the cost to restore a Property to its condition on the commitment date, we may either obtain a complete repair estimate from an independent third party of our choosing or rely on repair estimates as provided by the Servicer or Beneficiary; provided, however, that all such estimates are based on a review of both the interior and exterior of the Property. If we rely on a repair estimate not provided by the Servicer or Beneficiary, a copy of this estimate will be made available upon request.

12.06 Claim Settlement

The Insurance Benefit is payable to you, or to Fannie Mae or Freddie Mac if either is the Beneficiary and has elected to receive the Insurance Benefit.

The Insurance Benefit in settlement of the Claim will be one of the following:

Percentage Option

The Insurance Benefit is the Claim Amount, multiplied by the percentage of coverage.

Third-Party Sale Option

The Insurance Benefit is the Claim Amount less Net Proceeds, resulting in an Insurance Benefit less than the Percentage Option.

Acquisition Option

The Insurance Benefit is the Claim Amount.

Anticipated Loss Option

The Insurance Benefit is the Claim Amount less the Estimated Net Proceeds, assuming the Property is in the same condition as it was on the Commitment date (Reasonable Wear and Tear excepted). For loans insured under policies [#71-43342 \(10/14\)](#) and [#71-70384 \(03/20\)](#), this option is automatically applied when one or more of the conditions listed below exists. For loans insured under prior Master Policies, we may contact you or the investor to offer an anticipated loss option settlement amount if one or more of the conditions below apply:

- We are not granted Property access, or
- We do not receive good and marketable title, or
- We are unable to assess estimated restoration costs related to the Physical Damage or nonresidential Property exclusions, or
- When an approved Third-Party Sale does not close within 210 days of Claim filing (applies only to loan insured under policy [#71-70384 \(03/20\)](#))

Explanation of Benefits (EOB)

Your explanation of benefits (EOB) statement includes an explanation of any Insurance Benefit paid and any adjustments to the Claim Amount.

Regardless of how you file a Claim, access its EOB via MGIC/Link Servicing (17.01). If you use Electronic Funds Transfer (EFT), you can view and print the EOB from the MGIC/Link Servicing *Reports* menu.

17.03 Automated Default Reporting (ADR)

Report loans in Default and their status (8.02) electronically via ADR.

How ADR Works

After the 15th of every month, your loan database is scanned to gather information about delinquent MGIC-insured loans. This information is loaded into an electronic file that you deliver to us.

To Get Started

Step 1: Portfolio review

We recommend performing a portfolio review on all of your MGIC-insured loans. This review ensures that your files — and ours — are accurate. To assist you, we can provide a file or listing of your current MGIC-insured loans.

Step 2: Data verification

Once the review is complete and any discrepancies are resolved, automated default reporting begins. To make sure your delinquent loans are accurately transmitted, we typically verify your data for the first 2 file submissions. During this time, continue to report your delinquencies manually.

To set up ADR, contact us at integration_services@mgic.com.

17.04 Electronic Funds Transfer (EFT)/ACH

EFT service expedites your Claim payments by allowing us to electronically transfer funds into your account upon completion of the Claim. We provide an EFT reconciliation report via MGIC/Link Servicing listing all loans receiving payment 1 business day prior to deposit.

To Get Started

Complete and fax an [Authorization for Electronic Receipt of Payment](#) form to our Cash Management Department, (414) 347-6354.

Upon receipt of the form, we will:

- Test to ensure the successful transfer of future funds
- Work with you to set up EFT service for your designated branches or offices
- Notify you of the date EFT Claim payments will be activated
- Provide instructions for accessing payment detail via MGIC/Link Servicing

17.05 Electronic Data Interface (EDI)

We offer secure, electronic document submission through Electronic Data Interface (EDI) technology. For more information, contact integration_services@mgic.com.
